## **PLANT CITY DRIVER LICENSE OFFICE TO MOVE THIS MONTH**

*~ New office will help improve the customer experience ~*

**PLANT CITY** - The Florida Department of Highway Safety and Motor Vehicles is pleased to announce that the Plant City Driver License office is relocating to 2402 James L. Redman Parkway, Unit 1 in Plant City, effective Dec. 22, 2008. The hours of operations will be 8 a.m. - 5 p.m. Monday through Friday. The new location, which is in the Walden Woods Village shopping center, is approximately two miles from the current location.

The current Plant City Driver License office is located at 408 West Renfro St., Suite 110. It will close its doors Dec. 19, 2008, at 5 p.m. to give Department employees time to move the equipment. All employees of this office will continue to work in the new location.

“We have a high volume of traffic in our Plant City office, and the new office will accommodate our customers by giving us much needed room to conduct business,” said Director of the Division Driver Licenses Sandra Lambert. “The new office is located at a major crossroad and will have two additional workstations and an additional 500 square feet available to our customers.”

DHSMV would like to remind customers to skip the trip and use our many online services at [www.flhsmv.gov](http://www.flhsmv.gov). Here, customers can renew their driver licenses, identifications cards, vehicle tags and change their addresses, in the convenience of their home. Customers who need to visit an office can save time by scheduling appointments online using our Online Appointment Service and Information System at <http://oasis.hsmv.state.fl.us/>.
