MOBILE LICENSING OFFICE TO PROVIDE SERVICES AT EVENT FOR THE HOMELESS

~ Florida Licensing On Wheels to attend candlelight vigil and memorial dinner ~

ST. AUGUSTINE - The Florida Department of Highway Safety and Motor Vehicles is pleased to announce its partnership with the Homeless Coalition to bring convenient driver license and motor vehicle services directly to the homeless at a candlelight vigil and memorial dinner to honor those who passed away this year. On Dec. 18, 2008, the Florida Licensing On Wheels mobile unit will be located at the United Methodist Church parking lot at 119 King St. in St. Augustine. The hours of operation will be from 5 to 8 p.m.

FLOW mobile units are equipped with the technology and ability to bring valuable DHSMV services directly to customers. They provide a convenient method to renew a driver license, obtain a duplicate driver license, change a name or address on a driver license, get an identification card, register a vehicle and purchase a specialty license plate. Staff will not administer driving skills tests or hazmat fingerprinting for Commercial Driver Licenses at the FLOW mobile.

The FLOW mobile also offers the Department's newest safety initiatives through Emergency Contact Information registration, identification cards for children (ages five and older) and safety campaigns by the Florida Highway Patrol.

Customers wishing to obtain a driver license or identification card must bring an original or certified copy of their birth certificate and proof of their Social Security number. A complete list of acceptable identification documents is provided at www.flhsmv.gov/ddl/faqkeys.html. In addition to cash and personal checks, the Department accepts the following credit cards: MasterCard, American Express and Discover.

The Florida Department of Highway Safety and Motor Vehicles is charged with the mission of *providing highway safety and security through excellence in service, education and enforcement*. The Department is leading the way to a *Safer Florida* by way of three major components: driver licenses, vehicle tags and titles and the Florida Highway Patrol.
