Customer Service:

Through the department’s “**Commitment to Excellence Customer Comment Cards,**” driver license customers offered their comments regarding the level of customer service received and wait times. The service ranking requested was one to ten (one being the worst service and ten being excellent service). The charts below represent customers’ feedback this quarter:

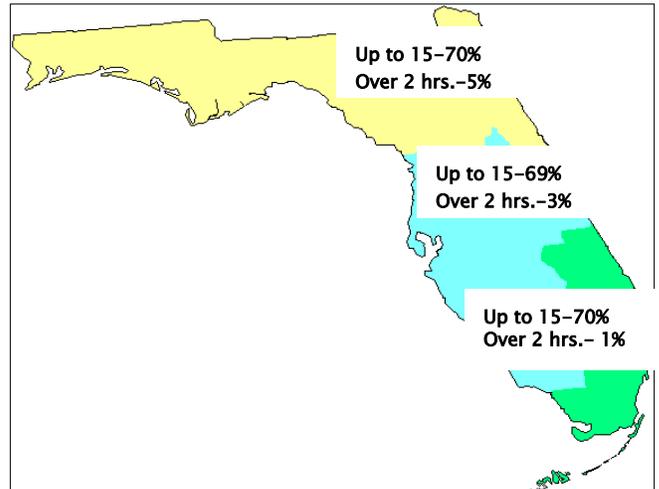

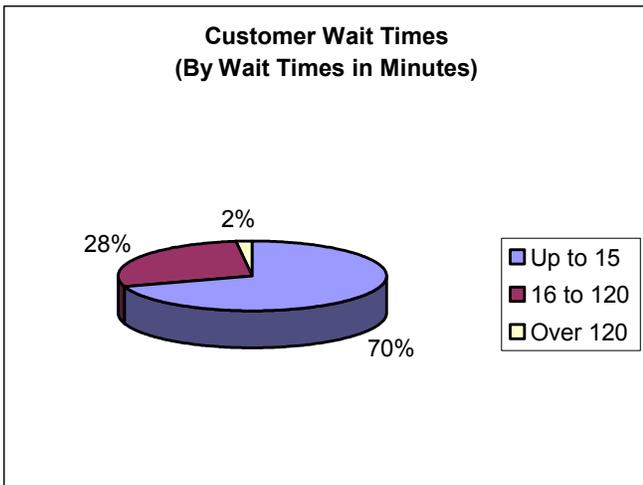

Customer Service Ranking

Customer Wait Times

During this quarter, 70 percent of customers waited “Up to 15 Minutes,” and 2 percent waited “Over 120 Minutes.”

Geographically, as a percentage of the total number of citizens that reported wait times for each region of the state; the “Up to 15 Minutes” wait percentages for the North, Central, and South regions were 70, 69, and 70 percent, respectively. For the same regions, for the “Over 120 Minutes” wait times, the percentages were 5, 3, and 1 percent, respectively.

Quarterly Highlights

Emergency Contact Information: In response to concerns raised by State Representative Bill Galvano, and his constituent Christine Olson, the department developed a mechanism for emergency contact information to be added to a person's driver license or identification card record and accessible through the D.A.V.I.D. (Driver And Vehicle Information Database) system which is a secured database used by most law enforcement agencies in the State of Florida. The Department was able to implement this system with existing resources and within 10 months of the request. Any Florida driver can input their emergency contact information by logging on to the Department of Highway Safety and Motor Vehicles' website at www.hsmv.state.fl.us. The department is urging all licensed drivers in the State of Florida to input their information so families can be contacted more quickly when a family member is seriously injured or killed in a traffic crash. As of December 31, 404,531 customers had entered their emergency contact information.

FHP Attends 20th Annual Florida Statewide Prevention Conference

The [20th Annual Florida Statewide Prevention Conference](#) was recently held in Orlando. As in the past, the Florida Highway Patrol was there on center stage as part of the Florida Prevention Partnership team under the leadership of Mr. William Janes, Director of Florida's Office of Drug Control.

Nine deserving Florida Highway Patrol troopers were recognized at this year's summit for their respective efforts, and initiative in their communities on behalf of substance abuse or violence prevention. Their tireless efforts reflect Florida's capacity for reaching local and state goals for substance abuse and violence prevention.

Suspect Captured After Ramming Five Cars in Tampa

While working an aircraft speed enforcement detail on Interstate 4 in Hillsborough County, FHP pilot Sergeant Mike Cendan notified Trooper Howard Arnold about a SUV traveling 88 miles per hour in the 70 mile per hour posted speed zone. When Trooper Arnold attempted to stop the driver of the SUV, he would not stop and then exited the interstate. At that time, Trooper Arnold disengaged and turned it over to Sergeant Cendan. Following the SUV the air into a residential area then back onto a local roadway, the SUV was then involved in a traffic crash and was subsequently

apprehended.

The Department Gets Down in Tallahassee: The Florida Highway Patrol and the Division of Driver Licenses combined resources at the November 3rd Downtown GetDown event in Tallahassee in an effort to help spread the word about the change in law that allows children ages 5 and older to receive a state issued identification card. This gives law enforcement and parents an opportunity to have a current digital photo of children as well as other pertinent personal information on hand in case of an emergency.

Cross Creek Office Opened: In a continuing effort to decentralize International Registration Plan Services and improve service delivery to our motor carrier customers, the department has relocated its Tallahassee walk-in service desk. The new facility opened in October at the Cross Creek Center, located at Capital Circle and Apalachee Parkway. This convenient location provides both easier access and adequate parking for heavy trucks. The new facility and the reassignment of personnel has resulted in faster service for customers who come to Tallahassee to conduct business.

Troopers of the Month Honored:

October 2006-Trooper Jonathan Young, Troop B

On October 11, 2006, Trooper Jonathan Young responded to a call on I-75. Upon arriving at the scene, Trooper Young found a man sitting on the roof of his truck contemplating suicide. Trooper Young's quick response helped prevent a potentially fatal situation.

November 2006-Trooper Christopher Ellison, Troop K

On November 8, 2006, while working SunPass toll enforcement at the Homestead Toll Plaza, Trooper Ellison assisted agents from the Florida Department of Law Enforcement by attempting to conduct a traffic stop on a suspect who was wanted for murder.

Trooper Ellison promptly located the suspect's vehicle as it exited the Florida Turnpike and attempted to pull the driver over. Before Trooper Ellison could make the traffic stop, the suspect stopped his car, exited the vehicle, and fled on foot with a revolver in his hand. The suspect was subsequently taken into custody by Trooper Ellison and the Florida Department of Law Enforcement agents.

December 2006-Trooper James Barley, Troop D

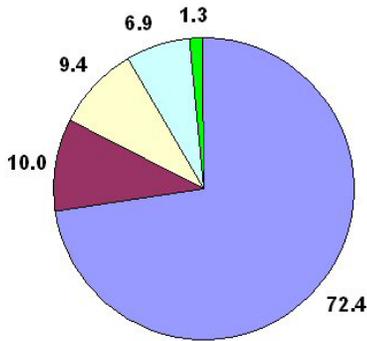

On December 12, 2006, Trooper Barley was patrolling in Brevard County when he stopped a driver for unlawful speed. Trooper Barley was overwhelmed by the odor of cannabis coming from inside the car, and upon further investigation observed some large bags of green leafy substance inside the car. A search of the vehicle revealed approximately 28 pounds of cannabis and drug paraphernalia. Trooper Barley arrested the suspect for trafficking cannabis and possession with intent to sell.

The following week Trooper Barley was again patrolling State Road 9 in Brevard County when he stopped another driver for unlawful speed. Trooper Barley detected an odor of cannabis coming from the car, and immediately secured the situation. With the assistance of Trooper Glaenzer, he searched the vehicle. The search revealed 50 grams of cocaine, 15 grams of morphine, 8 grams of Xanax and several grams of cannabis. Some of the drugs were located in close proximity to a three month old child passenger. The suspect was arrested for drug trafficking. Further investigation lead to a DEA warrant, uncovering a significant amount of cocaine. In the month of December 2006, Trooper Barley made 20 separate drug arrests, 11 of which were felonies.
