Addendum #1
ITB No. 028-09
Laser Speed Measuring Devices

Dear Sir or Madam,

In response to questions received, the subject Invitation to Bid is amended as follows:

Questions submitted by Laser Technology Incorporated

#1. I wanted to know where you came up with the Pre-Approved units list that is listed on page 27 of the solicitation ITB 028-09.

Answer to #1. The pre-approved list has been developed over recent years based on the agency's experience and field testing with the pre-approved devices. This aforementioned field testing is in addition to the basic examination conducted for the purpose of meeting the requirements for inclusion on the list of approved speed measuring devices pursuant to Rule 15B-2, Florida Administrative Code.

#2. Is there any reason why we cannot bid our LTI 20/20 TruSpeed which is listed on the Florida Approved Speed Measuring Devices, dated January 1, 2009 from State of Florida website?

Answer to #2. While the LTI 20/20 TruSpeed has been examined by the Florida Highway Patrol for the purpose of meeting the requirements in Rule 15B-2, FAC, it has not conducted additional testing nor had additional experience with this device beyond the testing required by Rule 15B-2, FAC.

#3. I noticed the pre-approved list has the Laser Atlanta, Speed Laser "S", which is not listed on the State of Florida Approved Speed Measuring Devices. The only Laser Atlanta models that are listed are as follows:

1. Model Speed Laser
2. Model Speed Laser B

Answer to #3. Laser Atlanta's Model Speed Laser is an approved device for use in the State of Florida. The Model Speed Laser "S and R" includes the same software, internal processors, chronometers/electronic components, output devices, displays, optic bench, menus, daily test procedures and user manuals. The only difference between the Model Speed Laser and the Speed Laser "S and R" is the housing that surrounds the internal components. By specifying the Model Laser "S", we are expressing a desire for that specific housing.

End of Questions & Answers.

All other dates and terms and conditions remain the same in this Invitation to Bid.

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes. Any notice of protest or protest to this solicitation which was filed prior to this notice is null and void.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stacy Arias', is written over the word 'Sincerely,'.

Stacy Arias, Chief
Bureau of Purchasing and Contracts
