The following information applies to IRP renewals done online or by mail

**ELECTRONIC RENEWAL**

If you are already an E-File user: We encourage you to renew your IRP registration using our electronic filing system. *This is the fastest option for processing your renewal.* To renew online, sign in at [http://www.flhsmv.gov/html/welcome.html](http://www.flhsmv.gov/html/welcome.html). Be sure to email all your supporting documents to cvdsefile@flhsmv.gov. Once your transaction is reviewed and approved, you will be notified by email that it is ready for payment. When ready for payment, you simply go online and pay electronically.

If you need an E-File account: Complete the E-File Request form (HSMV 85083) and email it to MCSservicecompanying@flhsmv.gov. Upon processing of this form, you will be issued your log in credentials. Note: Even if your E-File registration is set up too late for you to renew electronically this year, there are other IRP and IFTA transactions that can be done online throughout the registration year. See form HSMV 85083 for a list of available transactions.

NOTE: Make sure the spam filter on your computer does not block emails from cvdsefile@flhsmv.gov.

**MANUAL RENEWAL**

Your preprinted IRP Renewal Form contains all the vehicle and jurisdiction information that was included on your IRP account at the time the renewal form was printed. Please use this form to confirm or update your account and vehicle information. If you misplace this pre-printed form, you will need to complete a new IRP Application (marked "Renewal"). Be sure to use the current version, dated 12/2017 (HSMV 85900). Applications with an earlier revision date will not be accepted.

When manually completing your renewal (preprinted form or blank Renewal Application), please type or print neatly using ink. Before you submit for processing, carefully review to ensure you have provided all required information. Applications that are missing information, are not signed by the registrant (signature of service agents are not acceptable), or that lack the required attachments are considered incomplete and cannot be processed. You will receive a letter or email informing you of any additional information needed.

**STEP BY STEP RENEWAL PROCESS**

1. **Review all current information (on your preprinted renewal form or as displayed online) and correct where necessary**

   - Verify that all social data (name, address, contact numbers, email, etc.) is correct and current.
   - Verify and/or update the US DOT Number and Taxpayer Identification (TIN) Number of the motor carrier responsible for the safety of each vehicle.
   - Verify that all vehicle information, including the Gross Vehicle Weight (GVW) for each jurisdiction, is accurate. **Note: our system does NOT roll over weights over 80,000 pounds. If you are renewing vehicles with excess weight, please be sure to update the GVW information.**
   - Ensure the total number of axles for both the power unit and trailer has been entered for each Vehicle. The province of Quebec requires axles to be printed on cab cards rather than gross vehicle weight. Since all jurisdictions are printed on your cab card (regardless of whether you intend to travel in them) if you were to travel to Quebec and your cab card did not reflect the correct number of axles, you would be subject to fines.
When processing your renewal online, you must verify the weights for each jurisdiction, in each weight group, and make any necessary modifications.

2. **DELETE VEHICLES**

- **Manual Process**: Delete vehicles by marking through the preprinted vehicle information with a red pen.
- **Online Process**: Refer to “Renewal After 1-1-2015” of the [E-Filing Quick Reference Guides](#).

3. **ADD VEHICLES**

- **Manual Process**: Add vehicles by completing a new IRP Application ([HSMV 85900](#)) with a revision date of 12/2017 and attaching it to your renewal.
- **Online Process**: To add vehicles at the time of IRP registration renewal, you must first complete the online renewal transaction (without adding vehicles). After your renewal is completed, you can sign in again and complete an “Add Vehicle” transaction.

4. **COMPLETE THE MILEAGE SCHEDULE**

- Enter actual miles traveled in each jurisdiction for the period of **July 1, 2017 through June 30, 2018**, if your renewal is any month except October. If your renewal month is October, enter actual miles in each jurisdiction for the period of **July 1, 2018 through June 30, 2019 mileage year**.

  ✓ In accordance with the IRP, you will only be billed for those jurisdictions where actual miles were accrued during the reporting period.

  ✓ If no actual miles were accrued during the reporting period, you will be billed for all jurisdictions based on Florida’s Average Per Vehicle (APV) distance chart. The mileage reflected on the APV distance chart is the average distance accrued by all Florida registrants in each jurisdiction.

  ✓ In accordance with IRP, all jurisdictions are listed on cab cards regardless of prior year distance.

5. **GATHER THE DOCUMENTATION REQUIRED TO SUPPORT YOUR RENEWAL**

- **Proof of Address for New Physical Location (if applicable)**
  If you are changing your physical location, you must provide three proofs of the new address. All documents must be in the name of the registrant and display the new physical location address.

  **If the new physical location is an Established Place of Business in Florida (as defined by IRP):**

    ✓ **Required**: Copy of a current document showing the business employs at least one individual. For example, a payroll tax withholding account statement (issued by bank within last 90 days); an employee pay stub (issued within last 90 days); or the W-2 form the business sent to the IRS for the last tax year. Document must also include the business FEIN. In addition, any two of the following:

    ✓ Copy of a document issued by the Florida Department of State/Division of Corporations, showing registrant’s business is an active Florida corporation, limited liability company, etc.; registrant is principal owner of an active Florida corporation, limited liability company, etc.; or registrant’s carrier company is currently registered to conduct business as a foreign corporation in Florida.

    ✓ Receipt issued by FL Dept. of Revenue for filing/paying corporate taxes in most current tax year.

    ✓ Active business or occupational license issued by a Florida municipality or county.

    ✓ Property tax assessment issued to the business for the most current tax quarter or year.
✓ Utility bill issued to the business within the last 90 days.
✓ Bank statement issued to the business within the last 90 days.

If your new physical location is not Established Place of Business in Florida, it must be a Florida residence and you must submit any three of the following forms of proof:

✓ The registrant’s Florida driver’s license (unexpired).
✓ Receipt issued by the IRS for filing/paying personal income taxes in the most current tax year.
✓ Bank statement issued to the registrant within last 90 days.
✓ Utility bill issued to the registrant within the last 90 days.
✓ Real estate or property tax bill issued to the registrant in the most current tax year.
✓ The registrant’s Florida vehicle title or Florida vehicle registration for a currently owned vehicle.

☐ Proof of ownership
You must submit proof of ownership for any newly added vehicle, or for any existing vehicle on your pre-printed renewal that does not indicate a current Florida title number.

If the vehicle is not titled in Florida, you must submit one of the following:

✓ A letter, on the lien holder’s letterhead, stating there is an outstanding lien on the vehicle. The year, make and vehicle identification number (VIN) of the vehicle must also be included in the letter. You must also submit a copy of the front and back of the out-of-state title that shows the lien information, unless the out-of-state title is electronic. In this case, the letter from the lienholder must state that fact; or

✓ A copy of the front and back of the out-of-state title and a current lease for the vehicle from the out-of-state titled owner.

☐ Proof of insurance
All proofs of insurance must include:

✓ Personal Injury Protection (PIP) as required by Section 627.733, Florida Statutes; and

  - Vehicles registered as “Private” with a Gross Vehicle Weight of:
    - 26,000 to 34,999 --------- $ 50,000 per occurrence
    - 35,000 to 43,999 --------- $ 100,000 per occurrence
    - 44,000 and over --------- $ 300,000 per occurrence

✓ Insurers are required to provide notice of coverage cancellation to the Department at the same time the notice is provided to the insured motor carrier operating a commercial motor vehicle registered in Florida, pursuant to s. 627.7281, F.S. The Department will then suspend the registration as of the expiration date noted in the cancellation notice, until the motor carrier provides new proof of valid coverage.

☐ Proof of Lease Agreement (if applicable)
If the insurance is in the name of the company you are leased to, a copy of your lease agreement must be provided, along with documentation indicating your vehicle is covered by the policy:
✓ If a Certificate of Insurance is submitted as proof, the Department of Highway Safety and Motor Vehicles must be listed as the certificate holder.
✓ Bob-tail or Non-Trucking Insurance are not acceptable proofs of insurance.
