TO: Tax Collectors and License Plate Agencies
 FROM: Division of Motorist Services
 SUBJECT: Stolen Arizona Blank Vehicle Certificates of Title

The Department received notice that since February 2002, more than 22,104 blank Arizona Certificate of Title forms have been taken from Motor Vehicle Department or 3rd Party Vendor locations in Arizona, many taken during armed robbery incidents. On April 2, 2012, FedEx delivered a single box containing 2500 blank Arizona Certificate of Title vehicle documents to Phoenix Motor Vehicle Services LLC, and on April 9, 2012, store personnel contacted the Arizona Department of Transportation to inquire about the titles that had been ordered, stating they had never received the shipment on April 2, 2012. Listed below are the inventory control numbers for all stolen Arizona titles.

- Arizona Certificate of Title is computer printed on 8 x 10 inch, security-featured paper
- Control Number is printed in red ink in upper right corner of document.
- Control Number is not the MVD vehicle Title Number
- Certificate cannot be queried NCIC by control number
- Since 2008 certificates bear an 8-digit Control Number instead of re-using 7-digit numbers

Any Arizona Certificate of Title listed above, may not be used as proof of ownership, is fraudulent if presented for any purpose, and constitutes possession of stolen property. The Arizona Department of Transportation, Office of the Inspector General, will assist in prosecution of any criminal charges filed in connection with these stolen blank title forms. If you contact any individuals in possession of one of these documents, or have information regarding these stolen documents, please contact the nearest law enforcement agency as well as ADOT/OIG.

We appreciate your assistance in this matter.
