

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

DATE: November 04, 2014	Technical Advisory RS/TL14-019
SUBJECT: Redesigned Protect Our Oceans Specialty License Plate	

Overview:

The 2014 Legislature passed HB 7005 requiring a name change from **Catch Me Release Me** to **Protect Our Oceans**. This plate is also being redesigned.

We need your help using the existing inventory before these new license plates become available.

Details:

If an agency in your county needs one of these license plate types before the new plates are available, please contact other agencies in your county, and transfer plates as necessary.

If no license plates are available, contact Inventory Control at (850) 617-2809. Inventory Control will fill orders from Central Supply or transfer from county-to-county. We will approve and manufacture personalized license plate orders as usual.

Conclusion:

Thank you for helping us reduce the license plate inventory before it becomes obsolete. If you have any questions or need additional information, please contact the Field Support Center.
