

**TECHNICAL ADVISORY**

**DIVISION OF MOTORIST SERVICES**

<b>DATE:</b> 8/22/2016	<b>Technical Advisory DE16-001</b>
<b>SUBJECT:</b> <b>Important Notice to all Tax Collectors' Offices and Motor Vehicle Field Offices Regarding Incorrect Manufacturer's Statements of Origin.</b>	

**Overview:**

It has been brought to the attention of the Department that Massimo Motor Sports, LLC, has issued incorrect Manufacturer's Statements of Origin ("MSOs") to some dealers. These MSOs misrepresent the body type of Utility Terrain Vehicles ("UTV") as Low Speed Vehicles ("LSVs") or buggies. All Tax Collectors and Motor Vehicle Field Offices should be careful to avoid relying on incorrect MSOs when issuing titles and registrations.

**Details:**

Incorrect MSOs which label UTVs as LSVs or buggies have been relied upon by some Tax Collectors and Motor Vehicle Field Offices and this has resulted in the incorrect titling and registration of several dozen UTVs as street legal in Florida. Many unsuspecting customers have been issued LSV titles for their UTVs in error.

The incorrect MSOs state the following:

- The body type states LSV or Buggy instead of UTV.
- The model or serial numbers state: MSU-500-UTV, Militia 1000-UTV, MSU-700, ALLI-700, MSU-500-EFI, Gunner 250-UTV or Gunner-250S-UTV.
- Massimo Motor Sports, LLC, is listed as the manufacturer. The correct manufacturer, which is registered with the National Highway Traffic Safety Administration (NHTSA), is Chongqing Huansong Industries, Ltd.
- The line-make shows Massimo or HUAN. The correct line-make is HUAN.

Some MSOs will show the body type as Off-Road Vehicle ("ORV") but have the wording required for LSVs: "This vehicle conforms to Federal Regulations under Title 49 CFR Part 571.500." Please note that despite this language, these UTVs are not LSVs or buggies. They are ORVs or Off-Highway Vehicles ("OHVs"). Attached for your reference are some samples of incorrect MSOs.

**Conclusion:**

The Department is reaching out to Tax Collector Offices for assistance to prevent the incorrect titling and registration of UTVs as street legal vehicles. If your office receives any MSO issued by Massimo Motor Sports, LLC, or any distributor which reflects a body type of LSV or buggy for a UTV, line-make HUAN please:

- Contact the Dealer License Section at 850-617-3003 and press 1 for assistance.
- Advise the dealer that these UTVs are not LSVs or buggies and cannot be processed as street legal vehicles.
