

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

DATE: November 7, 2016	Technical Advisory RS/TL16-035
SUBJECT: FRVIS Updates October 2016 Released Statewide	

Overview:

After a successful pilot, the following software modifications to the Florida Real-Time Vehicle Information System (FRVIS), were released statewide on, November 4, 2016.

Details:

Electronic Filing System (EFS) Inventory Management:

Two changes were made to FRVIS regarding EFS inventory management. Inventory transferred to dealers using (new) EFS inventory management will no longer be reflected on the Outstanding Inventory Transfer form in FRVIS.

Additionally, EFS host agencies will now have the ability to receive inventory from closed, inactive or expired dealers through the Agent to Agency Transfer. See screen shot.

Agency = Host Agency
Agent = Dealer/Non-Dealer

MLOFM214 - Move To/From Agent

Technical Modifications:

This release also includes some minor back-end data clean-up and corrections of performance issues. The clean-up and corrections should not create an impact to the user.

If you have any questions, please contact your next level of management or the Field Support Center.
