Dear Ms. Robinson:

Congratulations for being selected as the Florida Highway Patrol Civilian Employee of the Quarter from July through September 2012.

You have demonstrated consistent performance and dedication to the Florida Highway Patrol. During the majority of the quarter, you were the lone civilian evidence custodian and responsible for over 15,000 pieces of evidence.

It has been noted that you strive to achieve an optimal level of personal performance and accomplishment. You have also developed an excellent working relationship with members within and outside of the agency. You have assisted in consolidating all evidence rooms in Troop C as well as ensure that all evidence is submitted in a timely and prompt manner. You have made sure that the Troop Quarterly Audits are conducted in a prompt manner and afterwards a written report is forwarded to the Troop Commander.

You display a strong personal commitment to successfully completing all projects and your commitment will lead to the evidence function in Troop C being organized and manageable. Your actions help better the Florida Highway Patrol and the community.

Sincerely,

Dear Ms. Hall:

Congratulations for being selected as the Florida Highway Patrol Civilian Employee of the Quarter from October - December 2012.

It has been noted that you have taken it upon yourself to cancel your pre-approved leave in order to help out the Crash Records section while your co-worker is on extended medical leave. You have been answering the phone and filling crash records requests on a daily basis as well as fulfilling your own assigned duties.

You are to be commended for your dedication and we appreciate your efforts to keep the office running smoothly during this time.

Sincerely,
