Dear Ms. Watkins:

Congratulations for being selected as the Florida Highway Patrol *Civilian Employee of the Quarter* from January through March 2013.

It has been noted that during the extensive absence of the Pinellas Park Sub District commander, you have excelled in your work production. During this quarter you willingly agreed to assist Martin Smith, Troop C Office Consultant in the completion of several projects, which included the Arbitrator In-Car camera equipment survey, consolidating input from each district, assisting vendors with registration and W9 tax information in MyFloridaMarketPlace, communicating with vendors and following up on the Troop's mail metering delivery status and assisting with the preparation of the postage funding purchase order request for the new mailing metering machines as well as providing excellent customer service to the public.

You are to be commended for your dedication and we appreciate your efforts to keep the office running smoothly during this time.

Sincerely,

Dear Ms. Macias-Sanchez:

Congratulations for being selected as a *co-recipient* of the Florida Highway Patrol *Civilian Employee of the Quarter* from October through December 2013.

You are being recognized for your tireless efforts to organize, coordinate and implement the Troop E Holiday Luncheon for Homeless Children. The preparation for this luncheon started in July and required many hours of dedication to bring everything together to make the luncheon a success. You devoted many long hours after work, sacrificing time normally spent with your own family to make this happen for children you never met.

Part of the preparation involved reviewing letters to Santa from the kids expressing their wishes for Christmas and then ensuring their wishes were filled. In addition you arranged for FHP K-9 demonstrations, occupant restraint demonstration, Fire Rescue demonstration and tow truck recovery operation. The children were also treated to face painting and a magician act. After the demonstrations, the children were treated to a holiday lunch followed by a visit from Santa. Lastly, this was done as Troop E prepared and went through a CALEA Audit.

You continuously go above and beyond your job duties and make Troop E run efficiently. Your actions help better the Florida Highway Patrol and the community.
