Dear Ms. Pedicone:

Congratulations for being selected as the Florida Highway Patrol *Civilian Employee of the Quarter* from January through March 2017.

After losing the Senior Evidence Property Custodian for Troop C, you stepped up and diligently assumed the primary management of the evidence room. You have worked with Lieutenant Eric French in becoming more familiar with the responsibilities, without complaining, even though you are down the position. You are always willing to help the troopers when they need your assistance and you seek help from Lieutenant French when you need guidance.

You continuously go above and beyond your job duties and for the troop and help it run more efficiently. Your actions help better the Florida Highway Patrol.

Sincerely,
