Dear Duty Officer Griffin:

Congratulations! It is a pleasure to inform you that you have been selected as the Florida Highway Patrol Duty Officer of the Quarter for January through March 2016.

On Wednesday, March 16, 2016, there was a traffic crash in Jackson County involving two school buses and a Semi Truck with entrapment on the buses. Because of this incident, US-90 was shut down for four hours. During this incident, you remained calm and professional coordinating wreckers, EMS runs, Troopers, the Department of Transportation and other agencies. In addition, you still made several other phone calls, documented extensive detailed notes in the CAD, and kept your Supervisors up to date throughout the call.

Your work ethic, professional knowledge, dedication and perseverance make you a real asset to the Florida Highway Patrol. You are congratulated for being selected as the Florida Highway Patrol Duty Officer of the Quarter for January through March 2016.

Dear Regional Duty Officer Laws:

Congratulations! It is a pleasure to inform you that you have been selected as the Florida Highway Patrol Duty Officer of the Quarter for July through September 2016.

On Sunday, September 25, 2016, Trooper Brien attempted to stop a vehicle west bound on Blue Star Highway in Quincy, Florida. You made sure that Trooper Brien did not need emergency traffic since the vehicle was not pulling over. Once the vehicle stopped and Trooper Brien made contact with the driver, he could tell something about the driver was not right. You, at the request of Trooper Brien, attempted to make contact with the driver's family with the help of Chattahoochee Police Department and Gadsden County Sheriff's Office.

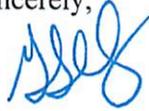

Unfortunately, it was learned from a family member that the driver suffered from Alzheimer's disease and all of his family lives in Tennessee leaving no one in the area to take care of him. After EMS checked the driver out, they took him to a local facility to be observed and so arrangements could be made for him.

Your professionalism, empathy and teamwork with Trooper Brien displayed that day, serves as an excellent representation of the Florida Highway Patrol's values, goals and mission.
