

Special Notice:

In 2006, the Florida Legislature passed HB 255, requiring all farm labor vehicles having a gross vehicle weight rating of 10,000 pounds or less to be equipped at each passenger position with a seat belt assembly that meets the requirements established under Federal Motor Vehicle Safety Standard No. 208, 49 C.F.R. s. 571.208.

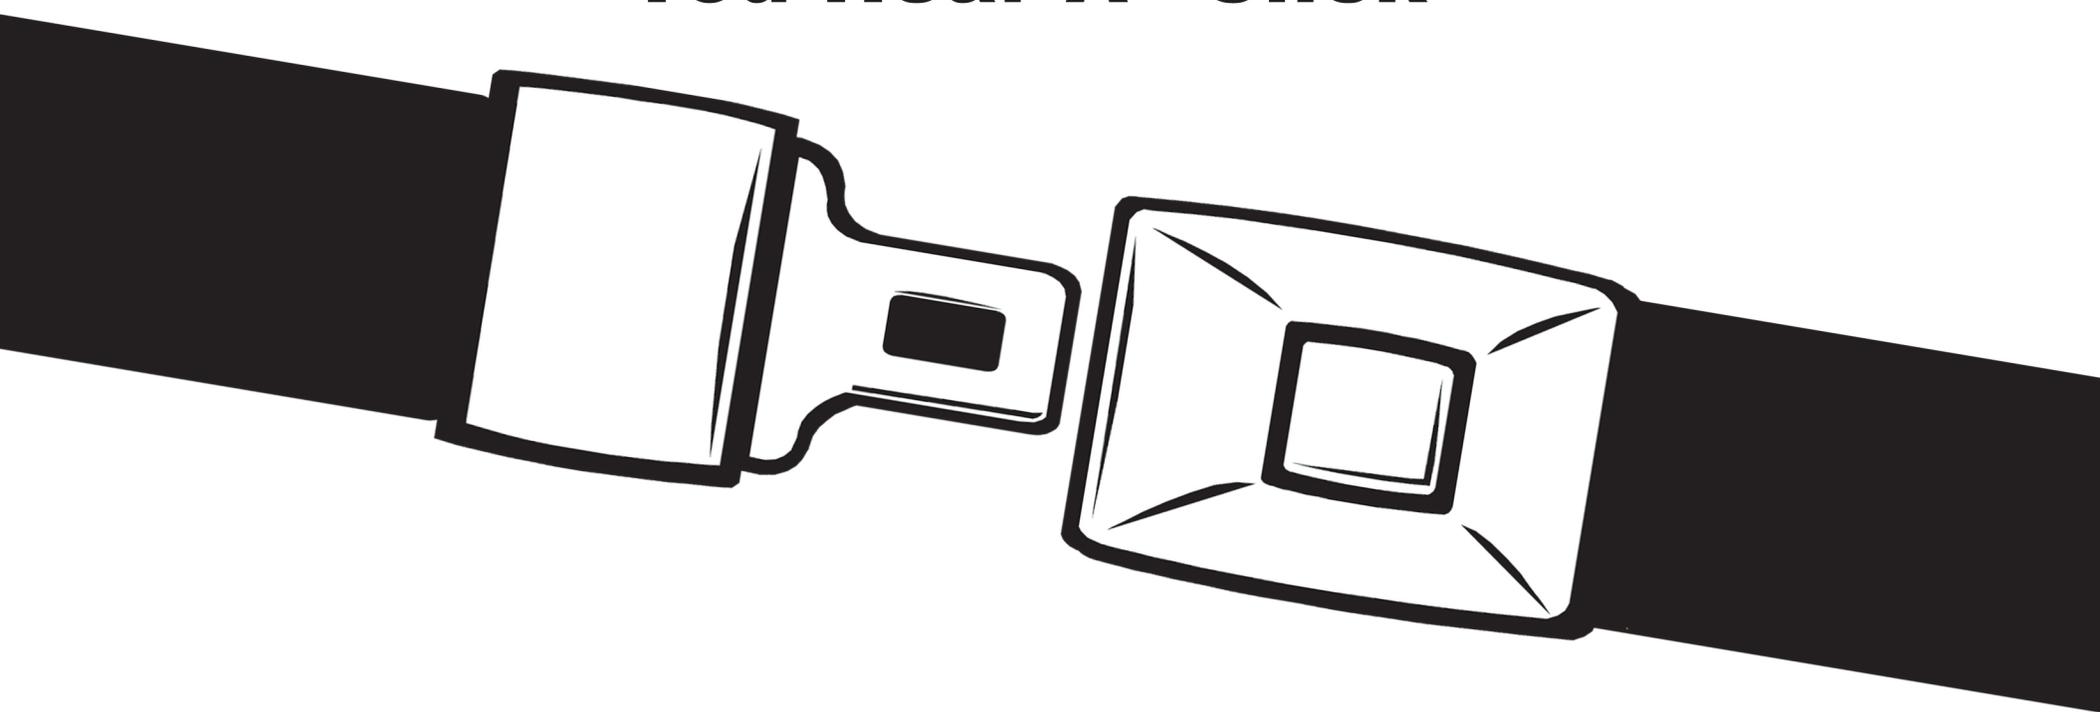

Section 316.622(4), Florida Statutes, requires the owner or operator of a farm labor vehicle to prominently display in the vehicle standardized notification instructions requiring passengers to fasten their seat belts. Enclosed you will find the notifications instructions, developed by the Department of Highway Safety and Motor Vehicles, to be displayed in farm labor vehicles.
