December 18, 2014

Executive Summary

The purpose of this audit was to determine compliance with applicable laws, policies, and regulations related to the annual affidavit prepared by the Keep Kids Drug Free Foundation, Inc. (Foundation) for the Keep Kids Drug Free specialty license plate. The Foundation is required to submit a Specialty License Plate Revenue, Expenditure, and Compliance Affidavit to the Department of Highway Safety and Motor Vehicles (Department) within nine months after the end of the Foundation's fiscal year. The affidavit submitted by the Foundation for the 2013 Fiscal Year ended June 30, 2013, was used for this audit.

For every Keep Kids Drug Free specialty license plate sold or renewed, a \$25 annual use fee is charged and distributed, as required by statute, to the Foundation, a non-profit organization which serves as a resource for parents, families, and young people to learn how to prevent drug abuse. Section 320.08058(22), Florida Statutes (F.S.), specifies that up to 10 percent of the proceeds from the annual use fee may be used for marketing and administrative costs. The remaining funds shall be used to fund activities to reduce substance abuse among residents of this state.

During our audit, we determined the Foundation generally complied with applicable laws, policies, and regulations related to the annual affidavit.
