

INFORMATION NOTICE

DIVISION OF MOTORIST SERVICES

DATE: 2/05/2015	Information Notice (INFO) RS/TL15-001
SUBJECT: Receiving Inventory in FRVIS	

Overview:

This is a reminder that tax collector offices and tag agencies **MUST** receive inventory in FRVIS within ten working days of the delivery date.

Details:

Inventory is considered unaccounted for by the Department until it is received in FRVIS, and the Department cannot pay the vendor until the inventory is accounted for. Additionally, the vendor **WILL NOT** ship more inventory to tax collector offices and tag agencies until the Department has paid its outstanding invoices.

This has become a serious problem and as of January 29, 2015, there was over \$300,000 in invoices more than 30 days past due. This is an unnecessary hardship for the vendor, and we need your help to resolve this.

Conclusion:

We sincerely appreciate your cooperation. If you have any questions or need additional information, please contact the Inventory Control Section at (850) 617-2809.
