DIVISION OF MOTORIST SERVICES

DATE: 4/15/2015	Information Notice (INFO) RS/TL15-002
SUBJECT: Processing Wildlife Foundation of Florida Registration Renewals	

Overview:

On April 3, 2015, Technical Advisory RS/TL15-007 informed every one the redesigned **Wildlife Foundation of Florida** (formerly **Sportsmen's National Land Trust**) specialty license plate, would soon be available in offices. Additionally, instructions were provided for deauthorization and removal of the **Sportsmen's National Land Trust** plate from inventory. Offices were instructed to **NOT** sell this plate any longer.

Details:

Effective April 16, 2015, all renewal and replacement transactions for a **Sportsmen's National Land Trust** plate will be processed as a forced replacement for the deauthorized plate. Customers may no longer select the **Sportsmen's National Land Trust** plate, but instead may choose the redesigned **Wildlife Foundation of Florida** specialty plate or any other authorized license plate.

Any accumulated ARF will be credited to the purchase of their new license plate. The system will apply the current ARF and the customer will pay the remaining ARF to equal the \$28 plate replacement fee. For example, if a customer has \$14 in ARF credit, FRVIS will charge the remaining \$14 as the ARF fee for the transaction.

Conclusion:

We sincerely appreciate your cooperation. If you have any questions or need additional information, please contact your next level of management.
