

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

DATE: April 2, 2015	Technical Advisory RS/TL15-006
SUBJECT: Redesigned University of Tampa Specialty License Plate	

Overview:

At the request of the organization, the **University of Tampa** specialty license plate is being redesigned.

We need your help using the existing inventory before these new license plates become available.

Details:

If an agency in your county needs this license plate type before the new plate is available, please contact other agencies in your county, and transfer plates as necessary.

If no license plates are available, contact Inventory Control at (850) 617-2809. Inventory Control will fill orders from Central Supply or transfer from county-to-county. We will approve and manufacture personalized license plate orders as usual.

Conclusion:

Thank you for helping us reduce the license plate inventory before it becomes obsolete. If you have any questions or need additional information, please contact the Field Support Center.
