

INFORMATION NOTICE

DIVISION OF MOTORIST SERVICES

DATE: 08/25/2017	Information Notice (INFO) INFO17-005
SUBJECT: Postage Fee Increase – September 2017	

Overview:

Effective September 3, 2017, the United States Postal Service will raise mail rates which will affect the cost of mailing license plates.

Details:

The new mail service charge for mailing a license plate will be \$3.40, which is an increase of \$.20. Section 320.031(2), Florida Statutes, establishes the mail service charge.

Effective September 6, 2017, transactions processed in FRVIS or online will charge the correct mail fee. The September 6th effective date was selected to allow the counties to process their e-commerce and high-speed renewal transactions on September 5th to avoid the need for manual processing due to errors that would occur if the mail service charge was changed on September 3rd.

We are also re-running the October and November renewal files with the new mail service charge and providing the files to the vendors.

Additionally, we are updating fee charts, forms and procedures to include the new mail service charge.

If you have any questions, please contact your next level of management or the Field Support Center.
