### DIVISION OF MOTORIST SERVICES

<b>DATE: 12/20/17</b>	<b>Technical Advisory RS/TL17-034</b>
<b>SUBJECT: Redesigned University of South Florida Specialty License Plate</b>	

#### Overview:

At the request of the organization, the University of South Florida specialty license plate is being redesigned, and we need your help using the existing inventory before this new license plate becomes available.

#### Details:

If an agency in your county needs this license plate type before the new plate is available, please contact other agencies in your county, and transfer plates as necessary.

If no license plates are available, contact Inventory Control at (850) 617-2900 or [InventoryControlUnit@flhsmv.gov](mailto:InventoryControlUnit@flhsmv.gov). Orders will be filled from Central Supply or transferred from county-to-county. We will approve and manufacture personalized license plate orders as usual.

#### Conclusion:

Thank you for helping us reduce the license plate inventory that will become obsolete. If you need additional information, please contact your next level of management or the Field Support Center.
