SUBJECT: Personalized License Plates Procedure Update

Overview:

Procedure RS-27 has been updated to clarify how to enter personalized license plate requests so the customer receives a plate appearing as expected.

Details:

Exhibit D in the procedure includes screen shots demonstrating how to enter blank spaces using an asterisk. This can be applied to plates with a center design and those with a left design.

Conclusion:

If you need additional information, please contact your next level of management or the Field Support Center.
