

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

DATE: 1/16/18	Technical Advisory RS/TL18-004
SUBJECT: Electronic Filing System (EFS) Enhancements	

Overview:

Items 1 and 2 only will affect ORION EFS offices and providers. Item 3 will affect all offices. Updates will be rolled out on Jan. 21, 2018 to properly display information and images.

Details:

The improvements are:

1. When a vehicle has two owners and the second owner is a company, the 82041 in EFS will now show the company name as the second owner at the dealership through the EFS provider system. (See Exhibit A)
2. If a customer has two addresses, but one does not exist in history, the owner will now show up in ORION during the review process at the tax collector/license plate agent office. (See Exhibit B)
3. When EFS Agencies approve title transactions in ORION, the images will now properly display with the title transaction in FRVIS.

Conclusion:

If you need additional information, please contact your next level of management or the Field Support Center.
