<b>DATE: 07/09/2019</b>	<b>Technical Advisory (TA) Number RS/TL 19-012</b>
<b>SUBJECT: Redesigned Big Brothers Big Sisters Specialty License Plate</b>	

**Overview:**

At the request of the organization, the Big Brothers Big Sisters specialty license plate is being redesigned, and we need your help using the existing inventory before this new license plate becomes available.

**Details:**

If an agency in your county needs this license plate type before the new license plate design is available, please contact other agencies in your county, and transfer plates as necessary. If no license plates are available, please contact the Inventory Control Unit at (850) 617-2900 or [InventoryControlUnit@flhsmv.gov](mailto:InventoryControlUnit@flhsmv.gov). All orders will be filled by Central Supply or transferred from county-to-county to deplete the current supply. We will approve and manufacture personalized license plate orders as usual.

**Conclusion:**

Thank you for helping us reduce the Big Brothers Big Sisters license plate inventory that will become obsolete. If you need additional information, please contact your next level of management or the Field Support Center.
