SUBJECT: Shipping Redesigned Tampa Bay Lightning Specialty License Plate

Overview:

PRIDE will be shipping the redesigned Tampa Bay Lightning license (see sample below) plate August 26th through August 29th. All license plates will be delivered by September 6th. Please remove the old design from your inventory and begin issuing this new plate when you receive it. The inventory codes will not change.

Details:

Each county must mark the appropriate range(s) obsolete. This will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory so that PRIDE can pick them up when they make future deliveries.

Conclusion:

We appreciate your cooperation. If you have any questions or need additional information, please contact the Inventory Control Section at InventoryControlUnit@flhsmv.gov. or (850) 617-2900.
