Overview:

PRIDE will be shipping the redesigned Jacksonville University and Miami Dolphins license plates October 28-31st. All license plates will be delivered by November 8th. Please remove the old design from your inventory and begin issuing the new plate when you receive it. The inventory codes will not change.

Each county must mark the appropriate range(s) obsolete. This will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory so that PRIDE will pick them up when they make future deliveries.
