Details:

FDLIS Modifications:

1. WRAP 5580 Voter Application – Felon Question Update: This change updates the current voter application three part felon questions to display only one felon question.

FRVIS Modifications:

1. WRAP 3358 – ISF - The bug fix for registration renewal registration: This change corrected a bug that caused the decal not to print during a Registration Renewal Registration where the user changes the license plate code.
2. WRAP 5561 – Update Metal Recycler Customer Numbers: This change allows GHQ to add new metal recyclers into FRVIS.

Conclusion:

If you need additional information, supervisors may contact their next level of management or the Field Support Center.
