SUBJECT: NEW YORK STATE DEPARTMENT OF MOTOR VEHICLES VERIFI SYSTEM and eMV-50 CERTIFICATE OF SALE

Overview:

In 2018, New York State Department of Motor Vehicles (NYS) implemented the Vehicle Electronic Reassignment and Integrated Facility Inventory (VERIFI) system. VERIFI allows NYS licensed automobile dealers to record their retail and wholesale sales online using the electronic Certificate of Sale (eMV-50).

Details:

Effective immediately all automobiles dealers in NYS will begin using eMV-50s for all transfers (in-state and out-of-state). Registration and title applications will be presented for a vehicle containing an eMV-50 Certificate of Sale receipt within the chain of ownership documents. If there are any concerns about the authenticity of the sale the issuing office may access the website https://www.verifiny.com/check and enter the eMV-50 number printed on the receipt or the vehicle identification number (VIN) to verify the sale.
