SUBJECT: Deauthorization of Edward Waters College Specialty License Plate	

Overview:

The Edward Waters College (EWC) specialty license plate has been discontinued. Florida law requires the Florida Department of Highway Safety and Motor Vehicles (FLHSMV) to discontinue the specialty license plate with the lowest number of valid registrations. As of January 1, 2021, EWC had 714 valid registrations.

Details:

On January 29, 2021, the EWC specialty license plate was discontinued. Please remove all inventory from your offices and PRIDE will pick it up on future deliveries.

A vehicle owner or lessee issued a specialty license plate that has been discontinued may keep this discontinued specialty license plate for the remainder of the 10-year license plate replacement cycle. All other applicable registration fees will continue to be collected during the annual renewal period. They will no longer be charged the \$25 annual specialty license plate fee that FLHSMV distributes to Edward Waters College. No original, replacement or personalized license plate reservation transactions can be performed.

If the customer chooses to switch to a different license plate, all applicable fees will be charged.

Additionally, the gift certificate voucher for the Edward Waters College specialty license plate is deauthorized and is no longer available to customers.
