| SUBJECT: UPDATE-Shipping New Independent Colleges and Universities on Florida (ICUF) Specialty License Plates | |

Overview:

PRIDE will begin shipping the new ICUF specialty license plates November 1, 2021. All license plates will be delivered by November 10, 2021. Please remove the old designs from your inventory and begin issuing the new plates when you receive them.

Details:

With the new license plates, all transactions can be performed. Anyone that has the old license plate will be able to keep that license plate until the end of the 10-year plate. No originals, replacements, and personalized license plate reservations transactions will be allowed.

Each county must mark the appropriate range(s) obsolete. This will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory. PRIDE will pick them up when they make future deliveries. Below are images of the new plates and inventory codes:
