<b>DATE: 04/01/22</b>	<b>Technical Advisory RSTL22-008</b>
<b>SUBJECT: Deauthorization of New College of Florida Specialty License Plate</b>	

**Overview:**

The New College of Florida (NCF) specialty license plate has been discontinued. Florida law requires the Florida Department of Highway Safety and Motor Vehicles (FLHSMV) to discontinue the specialty license plate with the lowest number of valid registrations. As of March 01, 2022, NCF had 765 valid registrations.

**Details:**

On March 28, 2022, the NCF specialty license plate was discontinued. Please remove all inventory from your offices and PRIDE will pick it up on future deliveries. The inventory codes are NWR, NWP, NWA.

A vehicle owner or lessee issued a specialty license plate that has been discontinued may keep this discontinued specialty license plate for the remainder of the 10-year license plate replacement cycle. All other applicable registration fees will continue to be collected during the annual renewal period. They will no longer be charged the \$25 annual specialty license plate fee that FLHSMV distributes to New College of Florida. No original, replacement or personalized license plate reservation transactions can be performed. If the customer chooses to switch to a different license plate, all applicable fees will be charged.

Additionally, the gift certificate voucher for the New College of Florida specialty license plate is deauthorized and is no longer available to customers.

**Conclusion:**

If you need additional information, please contact your next level of management or the Field Support Center.
