

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

<b>DATE: 07/28/2022</b>	<b>Technical Advisory (TA) Number RS/TL22-021</b>
<b>SUBJECT: UPDATE - Postage Fee Increase – July 10, 2022</b>	

**Overview:**

Effective July 10, 2022, the U. S. Postal Service (USPS) increased the postage cost for letter-sized mail.

**Details:**

As a result of the USPS postage rate increase, FLHSMV has updated the postage fees for issuance systems. This change affected FRVIS, MyDMV Portal, MV mail-in Renewals and Virtual Office (VO).

The October motor vehicle renewal (MVRN) file released on July 11, 2022 did not include the mail fee increase as referenced in Technical Advisory [RSTL22-015](#). We encourage you to reach out to your vendors and inform them of this oversight.

FLHSMV is working to recalculate fees and update the file as soon as possible. Upon request, FLHSMV will also recalculate the September MVRN file as well. Effective immediately, both the September and October MVRN file will be unavailable for download. If your vendor has already downloaded these files, we recommend downloading the new files upon release.

All vendors will be notified systematically when the new September and October MVRN files reflecting the mail fee changes is available for download.

**Conclusion:**

If you need additional clarification or assistance, contact your next level of management or the Field Support Center.
