DATE: 08/30/22	Technical Advisory RS/TL22-027
SUBJECT: Gadsden Flag Specialty License Plate	

Overview:

The Gadsden Flag – Don’t Tread on Me specialty license plate has met the voucher requirement. Purchasing pre-sale vouchers are no longer required for this license plate to meet the requirements.

The initial order for license plates will be placed soon.

Details:

After the initial order is placed, we will change the Sales Status Code from P-Authorized for Pre-Sale to D-De-Authorized.

To ensure we provide an adequate supply of license plates we will be updating the Sales Status Code until the license plates are shipped.

Once the license plates are shipped to the county tax collector offices the status will be changed to A-Authorized for Sale. The inventory codes for personalized and amateur radio license plates will also be available at that time. After the initial order is received, the counties can place additional orders.

We do not have a delivery date yet, but we anticipate the plates will be shipped to the county tax collector offices within 10-weeks.

Conclusion:

If you need additional information, please contact your next level of management or the Field Support Helpdesk.
