The new inventory codes are below with the new image.

**Details:**

PRIDE will ship the plates the week of March 27, 2023. The inventory codes are listed with the images and have been added to FRVIS. The "Sales Status Codes" has also been changed in FRVIS from "Authorized for Pre-sale" to "Authorized for Sale". Each county must mark the appropriate range(s) obsolete. This will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory.
