<b>SUBJECT: Voucher Requirement Met – Best Buddies Specialty License Plate</b>	

**Overview:**

The Best Buddies specialty license plate has met the voucher requirement. Purchasing pre-sale vouchers is no longer required for this license plate to meet the requirements.

The initial order for license plates will be placed soon.

**Details:**

After the initial order of license plates is placed, Florida Department of Highway Safety and Motor Vehicles (FLHSMV) will change the Sales Status Code from P-Authorized for Pre-Sale to D-De-Authorized.

To ensure an adequate supply of licenses plates is provided, FLHSMV will update the Sales Status Code when the license plates are shipped.

Once the license plates are shipped to the county tax collector offices, the status will be changed to A-Authorized for Sale. The inventory codes for personalized and amateur radio license plates will also be updated at that time. After the order is received, the counties can place additional orders.

**Conclusion:**

If you need additional information, please contact your next level of management or the Inventory Control Unit.
