DATE: 05/03/24	Technical Advisory (TA) RSTL 24-010
SUBJECT: Voucher Requirement Met - University of Alabama Specialty License Plate	

Overview:

The University of Alabama specialty license plate has met the voucher requirement. Purchasing pre-sale vouchers is no longer required for this license plate to meet the requirements.

The initial order for license plates will be placed by May 6th, 2024.

Details:

After the initial order of license plates is placed, we will update the Sales Status Code from **P-Authorized for Pre-Sale** to **D-De-Authorized**.

The license plate is NOT deauthorized, the Sales Status Code will only change up until the license plates are shipped to allow for an adequate supply.

We anticipate the plates will be shipped to the county tax collector offices within the next 4-5 months.

Once the license plates are shipped to the county tax collector offices the status will be changed to **A-Authorized for Sale**. The inventory codes for personalized and amateur radio license plates will also be available at that time. After the initial order is received, offices can place additional orders.

If you need additional information, please contact your next level of management or the Inventory Control Unit, InventoryControlUnit@flhsmv.gov or 850-617-2900.
