

DIVISION OF MOTORIST SERVICES

**DATE: 12/08/25**

**Technical Advisory (TA)  
RSTL 25-028**

**SUBJECT: Shipping the America's 250<sup>th</sup> Anniversary License Plate**

**Overview:**

In honor of America's 250<sup>th</sup> birthday in 2026, the Department has created the America's 250<sup>th</sup> Anniversary license plate. The new America's 250<sup>th</sup> Anniversary license plate will only be available for original, replacement, transfer and personalized reservation issuances beginning in December 2025.

**Details:**

The America's 250<sup>th</sup> Anniversary license plate will have a center logo design and will follow the same requirements as the current regular graphic license plates. The license plate will be renewable throughout the 10-year license plate cycle.

The America's 250<sup>th</sup> Anniversary license plate does not replace the standard graphic license plate; it is a new limited license plate available upon request by the customer.

PRIDE will begin shipping the new license plate the week of December 8, 2025. Deliveries will be completed in two weeks. The inventory codes are listed with the image below and have been added to FRVIS/MVI. The "Sales Status Code" will be changed to "Authorized for Sale" when the delivery begins.

Counties will be able to order the license plate; however orders will be monitored by the Inventory Control Unit to limit over production for this limited license plate.

**Conclusion:**

If you need additional information, please contact your next level of management or the Field Support Center.
