

Champion for Safety

AT THE BUS STOP / ON THE BUS

- C** Never sit on the road or curb. Take five giant steps away from the road and safely wait for the bus.
- C** Never speak to strangers at the bus stop or get into a car with a stranger. Always tell the bus driver, a teacher and your parents if a stranger tries to talk to you or pick you up.
- C** When the bus stops, wait for the driver to tell you that it is safe to board the bus. Look left-right-left before crossing the street.
- C** Sit properly in the seat facing the front of the bus.
- C** Use an “inside” voice and always listen to the driver.
