Champion for Safety

Always buckle your seat belt.

Don’t distract the driver. Use an “inside” voice and turn the volume down on games and videos.

Ride sitting properly in the seat, facing forward.

Be another set of eyes for the driver and watch for dangerous traffic situations.

- Vermont
- Virginia
- Washington
- West Virginia
- Wisconsin
- Wyoming

Buckle Up!
Never sit on the road or curb. Take five giant steps away from the road and safely wait for the bus.

Never speak to strangers at the bus stop or get into a car with a stranger. Always tell the bus driver, a teacher and your parents if a stranger tries to talk to you or pick you up.

When the bus stops, wait for the driver to tell you that it is safe to board the bus. Look left-right-left before crossing the street.

Sit properly in the seat facing the front of the bus.

Use an “inside” voice and always listen to the driver.

CAR & DRIVEWAY SAFETY

Never play in parked vehicles. It can quickly get very hot inside of vehicle, especially in the summer. Stay safe, and stay out of cars without an adult.

Never start a vehicle! Only people with a driver license should operate a vehicle.

Keep your toys and bicycles off the driveway and from behind the vehicle.

Never play under or around parked vehicles. A driver might not see or hear you when they start the engine and begin driving.

Look Twice!

#ChildSafetyFL
#ArriveAliveFL
When riding, always wear a helmet that fits your head. Don’t forget to fasten the chin strap!

Make sure that drivers can see you! Wear bright colors and something that reflects light (reflective tape on helmet or shoes).

Riders and pedestrians should always cross at intersections, never between parked cars. Look left-right-left before crossing a road.

Obey all traffic laws, signs and signals.

Pay attention! Never ride or walk with headphones that keep you from hearing traffic.
