

FOCUS ON DRIVING

SOCIAL MEDIA POSTS

-  Distracted driving constitutes anything that takes your eyes, hands or mind off of driving. #FocusOnDrivingFL
-  Driving is a huge responsibility. It requires your undivided attention. Put the phone down, and #FocusOnDrivingFL!
-  There are more than 5 distracted driving crashes every hour in Florida. That's 5 too many. Keep your eyes on the road and #FocusOnDrivingFL!
-  Texting requires manual, visual and cognitive ability. So does driving. Keep your eyes on the road to ensure everyone can #ArriveAlive! #FocusOnDrivingFL
-  "When you drive distracted, you are putting the lives of everyone in your car, and on the road around you, in danger." – Col. Gene S. Spaulding, Director of the Florida Highway Patrol #FocusOnDrivingFL
-  Responsible driving starts with you. Lead by example and show your children how to focus on driving. #FocusOnDrivingFL
-  #FHP worked almost 20,000 distracted driving crashes last year. Don't become a statistic. Keep your eyes on the road and #FocusOnDrivingFL!
-  Prevent a tragedy. Keep your eyes on the road so everyone can #ArriveAlive. #FocusOnDrivingFL
