Diabetes/Hypoglycemia Follow-Up Form

RE: _____
DL#: _____
DOB: _____

Dear Physician:

This individual was previously reviewed by our Department for an episode of hypoglycemia on <<enter date>>. We are in the process of reassessing his/her ability to safely operate a motor vehicle and need your input on the following questions:

1. How long have you treated the patient? When did you last see the patient in your office?
2. Has the patient experienced any further episodes of hypoglycemia? Yes _____ No _____
If the answer is yes, please provide the date(s) and severity of the reaction(s).
3. What is your assessment of the control of the patient's diabetes?
4. What advice has the patient been given to prevent recurrence of hypoglycemia while driving?
5. To the best of your knowledge, is the patient sufficiently well instructed and conscientiously applying these instructions to the point that it is highly unlikely that they would have an episode of hypoglycemia while operating a motor vehicle? Yes _____ No _____
