PLEASE INDICATE BELOW, THE DOCUMENTATION WHICH IS ENCLOSED WITH YOUR APPLICATION:

Manufacturer's Statement of Origin (MSO) - Required if new vessel purchased in Florida (See reverse for other states).

Certified copy of applicable COURT ORDER or JUDGMENT

Previous title signed over to agency

(Please see the reverse side for additional information.)

REQUIRED DOCUMENTATION

If a new vessel, please provide:

A. A properly completed Manufacturer's Statement of Origin (MSO), if purchased in one of the following states:

District of Columbia Florida Hawaii Illinois	Minnesota Montana New Jersey New Mexico	South Dakota Texas Utah Vermont
Indiana	New York	Virginia
Iowa	North Carolina	Washington
Kentucky	Ohio	West Virginia
Maryland	Oklahoma	Wisconsin
Massachusetts	Rhode Island	
Michigan	South Carolina	

B. If purchased in a state other than the states indicated in "A" above, please provide a bill of sale or its equivalent.

If the vessel is being used as part of a "loaner" program, the following procedures must be followed:

The MSO must be signed over to the government agency, and submitted along with this application to the Bureau of Titles and Registrations. A registration number will be assigned, and a "Government" decal and registration certificate will be issued in the name of the government agency.

At the termination of the loan agreement, the government agency will return the registration certificate and decal to the Bureau for cancellation and the MSO will then be returned to the dealer. Upon the sale of the vessel to the public, that same MSO would be utilized in the title application, thereby documenting the user/owner history.
