

## **Specialty License Plate Audit Florida Wildflower Foundation, Inc. State Wildflower Audit Report 201920-04**

September 4, 2019

### **Introduction and Background**

The purpose of this audit was to determine compliance with applicable laws and policies related to the annual reporting by the Florida Wildflower Foundation, Inc. (Foundation) for the State Wildflower specialty license plate. The Foundation is required to submit a Specialty License Plate Revenue, Expenditure, and Compliance Affidavit, or state single audit, to the Department of Highway Safety and Motor Vehicles (Department) within nine months after the end of the Foundation's fiscal year. The affidavit submitted by the Foundation for the 2018 Fiscal Year ended September 30, 2018, was used for this audit.

Specialty license plates are license plates available to the general public with unique designs that promote philanthropic and other causes and require payment of an additional annual use fee. Section 320.08056, Florida Statutes (F.S.), authorizes the issuance of all specialty license plates and specifies the annual use fee for the more than 120 specialty license plates Florida offers.

Section 320.08062, F.S., grants the Department the authority to examine all records relating to the use of specialty license plate funds. The Office of Inspector General included the examination of specialty license plate recipient organizations in its annual work plan.

For every State Wildflower specialty license plate sold or renewed, a \$15 annual use fee is charged and distributed, as required by statute, to the Foundation. Section 320.08058(27), F.S., specifies a maximum of 15 percent of total proceeds may be used by the Foundation for administrative costs and marketing cost. The remaining funds shall be used for native Florida wildflower research programs, wildflower educational programs, and wildflower grant programs to municipal, county, and community-based groups in the state of Florida.

The State Wildflower specialty license plate was established in 1999. There were 13,775 active State Wildflower specialty license plates as of September 2018. The Foundation reported receipts of \$216,473.58 in specialty license plate fees for the 2018 Fiscal Year.
