

FHP Information and Evidence Fund Audit Report 202223-22

February 15, 2023

Background and Introduction

The Florida Highway Patrol's (FHP) Bureau of Criminal Investigations and Intelligence (BCII) is responsible for the use and maintenance of an Information and Evidence (I&E) Fund. This fund is available to investigators to purchase materials as evidence or pay confidential sources for information that could otherwise be unavailable.

In accordance with Section 925.055, Florida Statutes, the FHP's BCII Policy 9.01, *Information and Evidence Funds*, establishes guidelines for the use and accountability of the FHP I&E Fund. This policy authorizes the purchase of information or physical evidence relating to criminal activity and requires a quarterly report of the I&E Fund transactions. The authorized maximum amount for this fund is \$5,000.00. The table below shows the fund's activity for the second quarter of the 2022-23 Fiscal Year (October, November, and December 2022).

| Information and Evidence Fund Summary | |
|---------------------------------------|------------|
| Quarter Ended December 31, 2022 | |
| Beginning Balance | \$5,000.00 |
| Receipts | \$0.00 |
| Disbursements | \$0.00 |
| Ending Balance | \$5,000.00 |

Results

Based on our examination of the I&E Fund activity, there were no receipts or disbursements for the second quarter of the 2022-23 Fiscal Year. Based on our examination the FHP's BCII maintained, in all material respects, effective internal controls for the I&E Fund and operated the I&E Fund in compliance with applicable laws and Department policies and procedures.

Purpose, Scope, and Methodology

The purpose of this audit was to evaluate the internal controls over the I&E Fund, and compliance with Florida Statutes, Florida Administrative Code, and Department policies and procedures.

The scope of this audit included a review of documentation supporting the deposits and expenditures of the fund for the second quarter of the 2022-23 Fiscal Year (October, November, and December 2022).

Our methodology included reconciling the bank account, tracing all account activity from the I&E Quarterly report to the bank statements, and reviewing documentation related to expenditures and deposits.
