

MSF Curricular Offerings Requirements for RERP Sponsors

Many of MSF’s curricula offerings require additional training for RiderCoaches and special recognition for ranges, including those ranges already approved for the BRC/ERC. RERP Sponsors interested in providing additional MSF *RiderCourses* should review the checklist below before implementing a new course. For any course not listed below, contact MSF for course requirements.

- Contact your State or Military Coordinator for policy related to implementing the course
- Review Course FAQs (located in the RETSORG library www.retsorg.org) for the following information:
 - Training site requirements
 - RiderCoach certification requirements
 - Course-specific materials
