

# MyDMV Portal

With the all-new MyDMV Portal, you can access your driver license and motor vehicle information online. *Services include:*

Renew your Florida driver license, ID card and commercial driver license (CDL).

Request a replacement Florida driver license, ID card, CDL and commercial learner's permit (CLP).

Request and pay for your driver record, which you can have mailed, certified mailed or print from your personal printer.

Update your automobile insurance information to clear existing sanctions.

Update your Emergency Contact Information (ECI).

Monitor a minor child, so you may receive notifications of any changes to the child's license or driver status or withdraw parental consent.

View pending citations on your customer record.

Replace or renew registration for a motor vehicle, vessel or mobile home.

***And much, much more.***
