III. POLICY

The Department administers the Federal Family and Medical Leave Act (FMLA) through its Office of Benefits & Member Services. The Department works with all eligible members to ensure that they claim their FMLA rights and ensures that members on FMLA have no adverse employment action taken based on their use of FMLA leave.

It is the policy of the Department to designate all qualifying time as FMLA leave and to count that time towards an eligible member’s annual entitlement.
While FMLA leave is unpaid, it may become paid leave, if the member has earned or accrued leave, so long as the leave is used in accordance with department Policy 5.01, Attendance and Leave.
