### **Specialty License Plate Vouchers and Gift Certificates**

If the receiving customer does not have a vehicle in their name, the voucher cannot be redeemed.

An individual may not purchase a voucher for one type of specialty plate and apply it toward the payment of another specialty plate. A processing fee, service fee, branch fee and specialty plate fee will be charged when the voucher is purchased. All other applicable fees will be charged when the specialty plate is issued. ### **Redeeming Vouchers:**

When a voucher is redeemed, the receiving customer must have a vehicle registered in their name. If they do not have a vehicle in their name, the voucher cannot be used at that time. Vouchers never

expire, the customer can keep the voucher until they obtain a vehicle in their name, or the customer can request a refund.

Gift certificates can be purchased at any time for a specialty license plate that is not in the Pre-Sale Voucher process. Refer to [Procedure RS-20](#) and [Procedure RS-67](#) for information about Presale Specialty License Plate Vouchers.

Pre-Sale Vouchers: Upon deauthorization of the license plate or if the plate has met the presale requirement but has not been issued, a purchaser of the license plate voucher may use the annual use fee collected as a credit towards any other specialty license plate that has the same annual use fee or apply for a refund on a form prescribed by the department.
