#### Authority to Tow and Store a Motor Vehicle or Vessel

A person regularly engaged in the business of transporting motor vehicles or vessel(s) by wrecker, tow truck, or car carrier recovers, removes, or stores a motor vehicle or vessel may do so upon instructions from:

- The owner thereof.

- The owner or lessor; a person authorized by the owner or lessor of the property, on which such motor vehicle or vessel is wrongfully parked, and the removal is done in compliance with [s. 715.07, Florida Statutes](#).
- The landlord or a person authorized by the landlord, when such motor vehicle or vessel remains on the premises after the terminated tenancy and the removal is done in compliance with [s. 83.806](#) or [s. 715.104, Florida Statutes](#).
- Any law enforcement agency.

When a person or entity requests a tow of a motor vehicle or vessel from a private property the tow company is required to notify local law enforcement within 30 minutes of the motor vehicle or vessel arriving at the storage facility. The tow company is expected to provide the date and time local law enforcement was notified of the tow and the name and badge number of the local law enforcement officer who was notified.

#### **Requirements for a Notice of Lien for a Motor Vehicle or Vessel**

[s. 713.78, Florida Statutes](#), requires a tow company to utilize a third-party service provider to mail a Notice of Lien to registered owner(s), lienholder(s), and insurance companies of a motor vehicle or vessel. The Notice of Lien shall be for reasonable charges for recovery, towing and storage of a motor vehicle or vessel. No storage fee can be charged if the motor vehicle or vessel is stored for less than 6 hours. This applies to motor vehicles and vessels titled in Florida and titled out of state.

If the motor vehicle or vessel record indicates co-owners, whether joined by “and,” or joined by “or,” and both owners have different addresses, each owner must be notified at the appropriate address. If a motor vehicle or vessel record indicates a lienholder has more than one address, notification must be sent to each address.

The Notice of Lien to an insurance company would not be required when:

- The owner of the motor vehicle or vessel requested the tow company to tow and store the motor vehicle or vessel.
- The tow was ordered by code enforcement from a house or from a business in violation of the zoning.

- If the FLHSMV database shows the insurance information is not on file or the insurance policy has been cancelled and the date of the tow was after the insurance policy cancellation date.
- When the motor vehicle or vessel is titled out of state and the title jurisdiction does not release insurance information.

When the FLHSMV database shows a “Law Enforcement Block” for a motor vehicle or vessel which has been towed, the tow company must submit a completed copy of the Notice of Lien, and if required the Notice of Sale, which would exclude the registered owner(s) address, by certified mail to:

Florida Department of Highway Safety and Motor Vehicles  
Division of Motorist Services  
ATTN: Law Enforcement Block  
2900 Apalachee Parkway, MS #57 – B231  
Tallahassee, FL 32399

FLHSMV would then forward the Notice of Lien and the Notice of Sale to the owner(s).

When the FLHSMV database shows a “Privacy Act Block” for a motor vehicle or vessel which has been towed in accordance with [s. 713.78, Florida Statutes](#), the tow company would be authorized to receive the information from any tax collector’s office or license plate agency.

A. Third Party Service Provider:

A tow company must use a third party service provider approved by FLHSMV to transmit all notices required by [s. 713.78, Florida Statutes](#). FLHSMV has approved the following third-party service providers:

- Auto Data Direct: [www.ADD123.com](http://www.ADD123.com)
- Beacon Software [www.Towlien.com](http://www.Towlien.com)

The third-party service provider is responsible for mailing the Notice of Lien requested by the tow company. The third-party service provider takes data from these requests such as the motor vehicle identification number (VIN) or hull identification number (HIN), license plate number, as well as the tow company’s name and address, then electronically transmits it back to FLHSMV. The information for the Notice of Lien is displayed in the motor vehicle issuance system when processing title applications.

B. Notice of Lien:

The Notice of Lien must include the following:

1. Fact of possession of the motor vehicle or vessel.
2. The legal full name of the person who authorized the tow or the full name of the local law enforcement agency that authorized the tow. No abbreviations of the local law enforcement agency shall be accepted.
3. A lien is claimed for recovery charges, towing charges and for storage charges.
4. Charges have accrued and include an itemized statement of the amount.
5. The lien is subject to enforcement under law and that the registered owner(s) or lienholder(s), if any, has the right to a hearing.
6. **For tows completed on or before June 30, 2024:** any motor vehicle or vessel that remains unclaimed, or for which the charges for recovery, towing, or storage remain unpaid, may be sold free of all prior liens 35 days after the motor vehicle or vessel is stored by the tow company. If the motor vehicle or vessel is more than 3 years of age, or 50 days after the motor vehicle or vessel is stored by the tow company if the motor vehicle or vessel is 3 years of age or less.

**For tows completed on or after July 01, 2024: any motor vehicle that remains unclaimed, or for which the charges for recovery, towing, or storage remain unpaid, may be sold free of all prior liens 35 days after the date of storage if the motor vehicle or vessel is an older model (more than 3 model years old). If the motor vehicle or vessel is a newer model, 3 model years or less, it may be sold 57 days after the date of storage.**

7. Address at which the motor vehicle or vessel is physically located.
8. **The tow company may charge an administrative fee for consensual and non-consensual tows to the registered owner(s) or lienholder(s) to release the motor vehicle or vessel from the Notice of Lien. The administrative fee may not exceed \$250.**
9. If the Notice of Lien is returned undeliverable, the last 8 digits of the VIN or HIN must be clearly printed in the delivery address box and on the outside of the envelope. The tow company name, as registered with the Division of Corporations, and the physical address and telephone number must be clearly printed on the outside of the envelope.

C. Notice of Sale:

**For tows completed on or before June 30, 2024:** if the date of the sale was not included in the Notice of Lien, or the sale information has changed, a Notice of Sale must be sent to the registered owner(s) and lienholder(s) at the address provided by the state of record at least 30 days before the date of the sale of the motor vehicle or vessel.

**For tows completed on or after July 01, 2024: if the date of the sale was not included in the Notice of Lien, or the sale information has changed, a Notice of Sale must be sent to the registered owner(s) and lienholder(s) at the address provided by the state of record at least 30 days before the date of the sale if the motor vehicle or vessel is an older model (more than 3 model years old). If the motor vehicle or vessel is a newer model, 3 model years or less, the Notice of Sale must be sent 52 days before the date of the sale.**

D. Good Faith Notice to Law Enforcement:

If attempts to locate the name and address of the registered owner(s) or lienholder(s) prove unsuccessful, the tow company shall, within five (5) business days, excluding Saturday and Sunday, and federal holidays after the date of tow, notify a local law enforcement agency where the motor vehicle or vessel is stored in writing by certified mail, or receipt-acknowledged electronic delivery, that the tow company has been unable to locate the name and address of the registered owner(s) or lienholder(s) and a physical search of the motor vehicle or vessel has not returned ownership information. The local law enforcement agency will run a 50 State Check in attempts to find registered owner information. The Good Faith Notice must be signed by the recipient at the local law enforcement agency.

- If the 50 State Check returns no state of record, the signed Good Faith Notice is required in lieu of the Notice of Lien.
- If the 50 State Check returns a state of record, the tow company must reach out to the title jurisdiction for the registered owner(s) and lienholder(s) information. The tow company must send the Notice of Lien to the registered owner(s) and lienholder(s) information provided by the local law enforcement agency. For the tow company to be able to charge storage fees on the Notice of Lien, please check the requirements found in section Timeframe After the Tow and Storage of a Motor Vehicle or Vessel.

E. Advertisement of Public Sale:

**For tows completed on or before June 30, 2024:** an advertisement of public sale of the motor vehicle or vessel must be placed in a general circulation newspaper, in business at least 2 years per [s. 50.031, Florida Statutes](#), and circulate the publication at least 1 time per week. The newspaper must be published in the county where the motor vehicle or vessel was towed and stored and must be published 10 calendar days, including Saturday and Sunday, before the date of the sale. The advertisement must include the name of the tow company, the address where the motor vehicle or vessel is stored, and the date and time of the sale. If the public sale is to take place at a location different from the tow company address, the advertisement must include the address of the location where the sale is held. The public sale must be held in the county where the motor vehicle and vessel were towed and stored.

**For tows completed on or after July 01, 2024: the advertisement of public sale must be posted on a publicly available website maintained by an approved third-party service. ## Authority to Tow and Store a Mobile Home

A mobile home transport company regularly engaged in the business of transporting mobile home recovers, removes, or stores a mobile home may do so upon instructions from:

- The owner of the mobile home.
- Any law enforcement agency.
- A mobile home park owner who has a current Writ of Possession for a mobile home.

## Requirements for Notice of Lien for a Mobile Home

[s. 713.785, Florida Statutes](#), requires a mobile home transport company to mail a Notice of Lien to registered owner(s) and lienholder(s) of a mobile home. The Notice of Lien shall be for reasonable charges for recovery, towing and storage of the mobile home.

If the mobile home indicates co-owners, whether joined by “and,” or joined by “or,” and both owners have different addresses, each owner must be notified at the appropriate address. If the mobile home record indicates a lienholder has more than one address, notification must be sent to each address.

When the FLHSMV database shows a “Law Enforcement Block” for a mobile home which has been towed, the mobile home transport company must submit a completed copy of the Notice of Lien, and if required the Notice of Sale, which would exclude the registered owner(s) address, by certified mail to:

Florida Department of Highway Safety and Motor Vehicles  
Division of Motorist Services  
ATTN: Law Enforcement Block  
2900 Apalachee Parkway, MS #57 – B231  
Tallahassee, FL 32399

FLHSMV would then forward the Notice of Lien and the Notice of Sale to the owner(s).

When the FLHSMV database shows a “Privacy Act Block” for a mobile home which has been towed in accordance with [s. 713.785, Florida Statutes](#), the mobile home transport company would be authorized to receive the information from any tax collector’s office or license plate agency.

The advertisement of public sale must be published in a newspaper of general circulation in the county where the mobile home is stored and must be published at least 10 calendar days, including Saturday and Sunday, before the date of the sale.

## **Authority to Sell a Mobile Home**

A mobile home transport company regularly engaged in the business of transporting mobile home recovers, removes, or stores a mobile home may sell such mobile home at a public sale if the mobile home remains unclaimed or for which the charges for recovery, towing and storage are unpaid 35 days after the mobile home is stored by the mobile home transport company.

The 35 calendar days, which include weekends and holidays, do not include the date the mobile home was towed or the date of the public sale.

- B. When a licensed Florida motor vehicle dealer or an individual purchases a motor vehicle or vessel from a tow company or a mobile home from a mobile home transport company through operation of law, a Certificate of Title must be issued in the dealer's or individual's name before the motor vehicle, vessel, or mobile home can be sold to another person.

The Certificate of Destruction must accompany the motor vehicle, vessel, or mobile home for which it is issued when the motor vehicle, vessel, or mobile home is issued for that purpose.
- I. The owner who finally dismantles or crushes the motor vehicle, vessel, or mobile home must retain the original Certificate of Destruction for three years. The copy of the Certificate of Destruction must be kept for three years by the tow company or mobile home transport company after being completed for transfer to a purchaser.
- J. Once the Certificate of Destruction is issued, no Certificate of Title will be issued by FLHSMV. If the Certificate of Destruction is lost, form [Application for Towing and Storage Certificate of Destruction – HSMV 82012](#) may be used to apply for a duplicate.
- K. If the motor vehicle or vessel record is noted "Junk" prior to the date of tow, a Certificate of Destruction must be issued in lieu of a Certificate of Title.
- L. If a tow company or mobile home transport company applies for a Certificate of Destruction on a motor vehicle, vessel, or mobile home where a Certificate of Destruction has already been issued, accept the application and contact the Field Support to process the application.
- M. [HSMV 82363 Application for Salvage Title/Certificate of Destruction – HSMV 82363](#) may be completed by the tow company or the person who purchased the motor vehicle at the public sale, showing

- P. If Florida is the state of record for the motor vehicle or mobile home and FLHSMV returns a Stop of “LIEN ONLY – IN STATE LIEN”, the tow company will need to visit a tax collector or license plate agency office to request the lienholder and lienholder addresses associated with the “LIEN ONLY – IN STATE LIEN” Stop.
