# **Legal Authority**

<u>Section 319.23</u>, <u>Florida Statutes</u>, authorizes the department to prescribe the form to be used in applying for a Florida Certificate of Title. This law and other sections of <u>Chapters 319</u>, <u>320</u> Florida Statutes, prescribe certain fees, documentation, verification and attestments which must accompany the application.

Applications that are not accurately completed in form or content or are not accompanied by required documentation will not be processed. A Correspondence Letter may be issued by a tax collector's office or Division of Motorist Services (DMS) requesting the appropriate party provide the items necessary to successfully complete the application.

## **Description and Use**

This procedure is provided to assist Tax Collector Employees, License Plate Agency Employees and The Department of Highway Safety and Motor Vehicles in establishing requirements for Correspondence Letters.

# **Documentation Required and Special Instructions**

If an application does not meet these standards, a Correspondence Letter may be issued by the license plate agency receiving the documentation. When a Correspondence Letter is necessary, it will be attached to all the documentation that was originally submitted with the application
