PROCEDURE # TL-50	SUBJECT: APPLICATION FOR A CERTIFICATE OF TITLE INVOLVING A CHANGE OF MOTOR ON MOTOR VEHICLES MANUFACTURED PRIOR TO 1955
---------------------------------	--

C. If the motor vehicle is titled out-of-state, **the title shows the motor number instead of the vehicle identification number and the motor is being replaced:**

1. The out-of-state proof of ownership.

Or,

Verification of title and lien status issued by the Division of Motorist Services (DMS) in the state where the motor vehicle was last registered. The verification must contain a description of the motor vehicle including year, make and vehicle identification number. Verification may be ONE of the following:

- a. A computer generated printout from the out-of-state motor vehicle division.
- b. A letter on letterhead stationery from the out-of-state motor vehicle division.
- c. A photocopy of the current out-of-state certificate of title.
- d. A copy of the teletype printout or a statement which shows the ownership, lien status and the name of the law enforcement agency who provided the verification information.

2. A form HSMV 82040, Application for Certificate of Title with/without Vehicle Registration, or form HSMV 82041, Application for Vehicle/Vessel Certificate of Title and/or Registration, accurately completed by the applicant.

3. Form HSMV 82042, Vehicle Identification Number and Odometer Verification Affidavit, accurately completed by the applicant(s) with the vehicle identification number and motor number verified by one of the four officials shown on the lower portion of the form.

Form HSMV 82040, Application for Certificate of Title with/without Registration, may be used in lieu of the above listed form.

or

An affidavit from the seller(s) and the purchaser(s) verifying that the vehicle identification number and motor number shown on the affidavit is identical to the vehicle identification number and motor number shown on the motor vehicle.
